John Bull's WORLD OF ROCK

A real factory tour

A unique experience
for all the family

A Total Sensory Experience!

hear...

the history of the area's premier confectioners as told by John Bull's ancestor.

touch...

and experience manufacturing for yourself as you make your own chocolate lolly and personalise a stick of rock* (there is a nominal charge for this facility).

* When production programme allows

smell...

an assortment of tantalising aromas whilst our products are being made, in particular our irresistible Belgian chocolates and mouth watering Yorkshire biscuits.

see...

and learn the secrets of rock and chocolate production unfold before your very eyes!

taste...

our delicious range of products at the World of Rock. Choose a gift for your friends (or yourself!) from our extensive range in the factory shop and visit our café.
